

The HK HT HG Holden Owners Club of Victoria, is a VicRoads approved club. If you want to apply for club permits here are our Club Purpose and Rules.

If you have a passion for KTG Holdens and live in Victoria then this is the club for you. You might have a fully restored one, or you might be restoring one now or still drive one everyday, or have inherited a family heirloom or you might have a whole bunch of them in various conditions.

With meet ups for Coffee and Cruises planned in all parts of the state, plus Victoria's own annual KTG super cruise and Club camp cruise weekends, this club is a great way to meet other people who love the opportunity to get behind the wheel and enjoy their car and meeting people with the same interests.

Our Major focus is the planning of the Victorian HK HT HG NATIONALS in 2023 and welcome club volunteers to join our friendly events team and to assist Club members wanting to attend the HK HT HG Nationals annual events.

Our club meetings are meet ups and Cruises planned for all over Victoria and we have the Club website, Facebook page announcements and Club news letters let you know whats on. If you'd like a cruise or meet up at a car show near you, we would love to hear about it.
